INTERNATIONAL SYMPOSIUM ON INNOVATIVE EXPERT HEPATOBLIARY SURGERY

Compagnons Hépatobiliaires - Professor Henri Bismuth

Dokuz Eylul University School of Medicine, Chief of Department of General Surgery, Division of Hepatopancreatobiliary Surgery and Liver Transplantation - Ibrahim Astarcioglu, Professor of General Surgery

Auditorium at Dokuz Eylul University School of Medicine, Izmir, Turkey
28 - 30 Mayis 2015, 28th - 30th May 2015
Thursday May 28th, 2015

HEPATIC, PANCREATIC, AND BILIARY SURGERY
CLINICAL CASE PROGRAM FOR PHYSICIANS

Organized by "Hepatobiliary Companions"

Presentations of Complex clinical cases concerning diagnosis and/or treatment will be discussed interactively between faculty members and attendees.

Chairmen: Henri Bismuth, Villejuif, France
            Ibrahim Astarciooglu, Izmir, Turkey

With the participation of: (provisional)
Arie ARICHE (ISRAEL), Salam DARADKEH (JORDAN), Rachad EL MASRY (EGYPT), Dominique FRANCO (FRANCE), Ousmane KA (SENEGAL), Andres KATZ (USA), Valerio LUCIDI (BELGIUM), Stellos MANTONAKIS (GREECE), Suhendra MATHUR (INDIA), Richard NAKACHE (ISRAEL), Raul OLEAS (ECUADOR), Riccardo PELLICI (ITALY), Juan Manuel RICO JURI (COLOMBIA), Oscar TRAYNOR (IRELAND) and the Symposium speakers.

08:00–09:00  Registration

09:00–10:30  Session I: Hepatobiliary Surgical Cases

11:00–13:00  Session II: Hepatic Surgical Cases

14:00–15:30  Session III: Pancreatic Surgical Cases

16:00–17:30  Session IV: Liver Transplant Cases
Friday May 29th, 2015

Session I

The HPB Topics

Chairmen: Ibrahim Astarcioglu, Izmir, Turkey
Pietro Majno, Geneve, Switzerland

08:20 Quality markers for hepatobiliary surgery
Pietro Majno, Professor in Visceral Surgery and Transplantation, University Hospitals of Geneva, Switzerland

08:40 Critical points in liver surgery
Sedat Karademir, Ankara Guven Hospital, Chief of Hepatopancreatobiliary Surgery, Liver and Renal Transplantation Unit, Ankara, Turkey

09:00 The Morioka Consensus Conference on laparoscopic liver resection
Daniel Cherqui, Hepato-Biliary Center, Paul Brousse Hospital, Villejuif, France

09:20 Liver surgery with new generation robot
Dimitri Alden, New York, USA

09:40 Cerebral oxymetry in liver resection
Réal Lapointe, Department of Hepato Biliary Surgery, Saint Luc Hospital Montreal, Canada

10:00 Treatment of hydatic disease of the liver in a non-endemic area
Oscar Claudio Andriani, Hepato Biliary Surgery and Transplantation, University Hospital Austral, Pilar, Buenos Aires, Argentina

10:20–10:40 Coffee Break

Session II

Liver Tumors

Chairmen: René Adam, Villejuif, France
Sadik Ersoz, Ankara, Turkey

10:40 Benign tumors of the liver: What we know and don’t know?
René Adam, Hepato-Biliary Center, Paul Brousse Hospital, Villejuif, France

11:00 Unusual indications of hepatic resections
Francisco Castro E Sousa, Department of Surgery, University of Coimbra, Portugal
11:20 Liver resection for hepatocellular carcinoma: For which patients?
Daniel Cherqui, Hepato Biliary Center, Paul Brousse Hospital, Villejuif, France

11:40 How to make inoperable HCC patients into operable patient
Nagy Habib, Department of Surgery, Hammersmith Hospital, Imperial College, London, UK

12:00 Initial expérience on radioembolisation of hepatic tumors
Oscar Claudio Andriani, Hepato Biliary Surgery and Transplantation, University Hospital Austral, Pilar, Buenos Aires, Argentina

12:20 Morbidity and mortality in surgery of liver metastases
Laurence Chiche, Digestive Surgery, University Hospital of Bordeaux, France

12:40-13:00 Opening Ceremony
- The Rector of Dokuz Eylul University, Mehmet Fuzun
- The Chairman of Turkish Hepatopancreatobiliary Association, Osman Abbasoglu
- The Compagnons, Henri Bismuth
- Hommage to Lorenzo Capussotti Dominique Franco

13:00-14:20 Lunch

Session III
Liver Metastases-ALPPS

Chairmen: Nagy Habib, London, UK
Koray Acarli, Istanbul, Turkey

14:20 Resection of liver metastases from colorectal cancer in patients with lung metastases - what are the limits?
Hugo Pinto Marques, Hepato-Bilio-Pancreatic and Transplantation Center, Curry Cabral Hospital, Lisboa, Portugal

14:40 Surgical treatment of colorectal metastases - predictive factor in a single center experience
Krzysztof Zieniewicz, Department of General, Transplant & Liver Surgery, Medical University of Warsaw

15:00 The associating liver partition and portal vein ligation (PVL) in staged hepatectomy (ALPPS)
Deniz Balci, Ankara University School of Medicine, Chief of Liver Transplantation Unit, Ankara, Turkey

15:20 Do RALLPS instead of ALLPS
Nagy Habib, Department of Surgery, Hammersmith Hospital, Imperial College, London, UK
15:40  Critical view about ALPPS: The diffusion of innovation
Oscar Claudio Andriani, Hepato Biliary Surgery and Transplantation, University Hospital Austral, Pilar, Buenos Aires, Argentina

16:00 - 16:20  Coffee Break

Session IV
Liver Transplantation for Malignancies

Chairmen:  Jan Lerut, Brussels, Belgium
            Sedat Karademir, Ankara, Turkey

16:20  Extensive indications for HCC in LDLT (No limits behind frontiers)
Gokhan Moray, Baskent University School of Medicine and Staff of Hepatopancreatobiliary Surgery and Liver and Renal Transplantation Unit, Ankara, Turkey

16:40  Which CRLM patient could be transplanted?
René Adam, Hepato-Biliary Center, Paul Brousse Hospital, Villejuif, France

17:00  Living donation in HCC: Utility of downstaging
Jan Lerut, Transplantation Unit, University Clinic Saint Luc, Catholic University of Louvain, Brussels, Belgium

17:20  Liver transplantation in extensive splenomesentericoportal thrombosis
Remzi Emiroglu, Bursa Acıbadem Hospital, Chief of Hepatopancreatobiliary Surgery and Liver and Renal Transplantation Unit, Bursa, Turkey

17:40  Organ distribution: The American perspective
Jean Emond, Columbia University and The New York Presbyterian Hospital, New York, NY, USA

18:00  Liver transplantation with non-heart beating donors
Jina Krissat, Department of Surgery, Blackpool Victoria Hospital, Blackpool, UK

Jan Lerut, Transplantation Unit, University Clinic Saint Luc, Catholic University of Louvain, Brussels, Belgium

18:40  Living donor liver transplantation for hepatocellular carcinoma. Where should be the frontier of selection criteria? (restricted by Milan, UCSF criteria or general operability criteria)
Tarkan Unek, Dokuz Eylul University School of Medicine, Staff of Hepatopancreatobiliary Surgery and Liver Transplantation Unit, Izmir, Turkey

19:30  Welcome Dinner
Saturday May 30th, 2015

Session V

Liver Transplantation

Chairmen: Jean Emond, New York, USA
Yaman Tokat, Istanbul, Turkey

08:30 Memorial Hospital experience in liver transplantation
Koray Acarli, Memorial Şişli Hospital, Staff of Hepatopancreatobiliary Surgery and Liver Transplantation Unit, Istanbul, Turkey

08:50 Liver transplantation in elderly
Yaman Tokat, Florence Nightingale Hospital, Chief of Hepatopancreatobiliary Surgery and Liver Transplantation Unit, Istanbul, Turkey

09:10 Modality for arterial reconstruction in liver transplantation
Sadik Ersoz, Medicana Hospital, Chief of Hepatopancreatobiliary Surgery and Liver Transplantation Unit, Ankara, Turkey

09:20 Liver transplantation in acute liver failure
Ilgin Ozden, Istanbul University School of Medicine, Chief of Hepatopancreatobiliary Surgery and Liver Transplantation Unit, Istanbul, Turkey

09:40 Surgical factors that affect long-term survival in liver transplantation
Sezai Yilmaz, Inonu University School of Medicine, Chief of Liver Transplantation Unit

10:00–10:30 Coffee Break

Session VI

Biliary and Pancreas

Chairmen: Eduardo Barroso, Lisboa, Portugal
Ilgin Ozden, Istanbul, Turkey

10:30 Endoscopic interventions in biliary injuries (Acute/Strictures)
Yaman Tekant, Istanbul University School of Medicine and Staff of Hepatopancreatobiliary Surgery Unit

10:50 Resection for hilar cholangiocarcinoma (vascular resections, preoperative biliary drainage, with/without portal embolisation)
Ibrahim Astarcioğlu, Dokuz Eylül University School of Medicine, Chief of Hepatopancreatobiliary Surgery and Liver Transplantation Unit, Izmir, Turkey
11:10  **Alveolar hydatid cyst: Resection/Transplantation?**  
Yalcin Polat, Chief of Liver Transplantation Unit in Memorial Atasehir Hospital, Istanbul, Turkey

11:30  **Management of pancreatic cystic tumors**  
Osman Abbasoglu, Hacettepe University School of Medicine and Head of Turkish Hepatopancreatobiliary Association, Ankara, Turkey

11:50  **Pancreatic precision surgery**  
Jorge Paulinho, Hepato-Bilio-Pancreatic and Transplantation Center, Curry Cabral Hospital, Lisboa, Portugal

12:10  **Astellas Satellite Meeting**  
*Risk factors in long-term immunosuppressive drugs usage and Advagraf*  
Sadik Ersoz, Medicana Hospital, Chief of Hepatopancreatobiliary Surgery and Liver Transplantation Unit, Ankara, Turkey

13:00-14:20  **Lunch**

---

**Session VII**

**Pancreas**

**Chairmen:** Oscar Claudio Andriani, Buenos Aires, Argentina  
Sezai Yilmaz, Malatya, Turkey

14:20  **A simple method to predict pancreatic fistula after pancreaticoduodenectomy; pancreatic attenuation index**  
Cumhur Yegen, Marmara University School of Medicine, Staff of Hepatopancreatobiliary Surgery and Liver Transplantation Unit, Istanbul, Turkey

14:40  **Basis of prognosis in pancreatic cancers**  
Marc Johann, Saint André Hospital, Metz, France

15:00  **Posterior approach for Whipple operation**  
Melih Kara, Associate Professor of General Surgery in Haydarpasa Numune Training and Research Hospital, Istanbul, Turkey

15:20  **Laparoscopic Whipple operation**  
Oguzhan Karatepe, Associate Professor of General Surgery in Medipol University School of Medicine, Staff of Hepatobiliary Surgery Unit, Istanbul, Turkey
Session VIII

HPB Surgery: Controversies

Chairmen: Henri Bismuth, Villejuif, France
           Ibrahim Astarcioglu, Izmir, Turkey

16:00   Special lecture in hommage to Gilles Mentha:
        Scientific methodology in complex surgery: Time for a reappraisal?
Pietro Majno, Professor in Visceral Surgery and Transplantation, University Hospitals of Geneva, Switzerland

16:30   Compassional liver transplantation: NO but YES
        Eduardo Barroso, Hepato Bilio Pancreatic and Transplantation Center, Curry Cabral Hospital, Lisboa, Portugal

17:00   Living Donor: The need to increase the use
        Jean Emond, Columbia University and The New York Presbyterian Hospital, New York, NY, USA

17:30   End of the Meeting

Closing
HEPATOBLIARY PROGRAMME FOR NURSES
IZMIR
Thursday May 28th, 2015

Meeting Board

Chairs: Françoise Van Hove, Paris, France
       Ozgul Karayurt, Izmir, Turkey

Secretaries: Monica Martins, Paris, France
             Yaprak Sarigoz Ordin, Izmir, Turkey

Local organization committee:
       Ozlem Bilik, Izmir, Turkey
       Ozge Pekin Iseri, Tokat, Turkey
       Hale Turhan Damar, Izmir, Turkey
       Zeynep Deveci, Izmir Turkey

08:00 - 09:00 Registration
09:00 Welcoming and Introduction
       Françoise Van Hove, Paris, France
       Ozgul Karayurt, Izmir, Turkey

Hepatobiliary Session

Chairs: Françoise Van Hove, Paris, France
       Ozlem Bilik, Izmir, Turkey

09:10 Advanced practice nurses in the care of the hepatobiliary patient
       Françoise van Hove, Hepato-Biliary Center, Paul Brousse Hospital, Villejuif, France

09:40 The role of nurse in patients after hepatectomy
       Ozge Pekin Iseri, Gazi Osman Pasa University, Health High School, Tokat, Turkey

10:10 Hepatocellular carcinoma indications and treatment
       Valerio Lucidi, Hepatobiliary Surgery and Transplantation, Erasme University Hospital, Bruxelles Belgium

10:40 - 11:00 Coffee Break
11:00 The nurse practitioner obstructive jaundice as a researcher: «A national survey about post-interventional management of percutaneous transhepatic biliary drainage catheters»
Chulja Pek, Erasmus University Hospital, Rotterdam, Netherland

11:30 Treatment and care of hydatic disease of the liver
Habibe Esen, Uludag University Hospital, Liver Transplantation Unit, Bursa, Turkey

12:00 Hepatobiliary surgery with Da Vinci Robot
Dimitri Alden, New York, USA

12:30 General Discussion

13:00 -14:20 Lunch

Liver Transplantation Session

Chairs: Özgül Karayurt, Dokuz Eylul University, Nursing Faculty, Izmir, Turkey
Filiz Ogçe, Izmir University of Economics, Izmir, Turkey

14:20 Liver transplantation with non-heart beating donors
Jina Krissat, Department of Surgery, Blackpool Victoria Hospital, Blackpool, UK

14:50 The use of hypnosis in surgery and anesthesiology
Mireille Michel-Cherqui, Department of Anesthesiology, Foch Hospital, Suresnes, France

15:20 Laparoscopic operative techniques for hepatectomy for disease and for living donation
Maryse Faury, Hepato-Biliary Center, Paul Brousse Hospital, Villejuif, France

15:50-16:10 Coffee Break

16:10 Self management after liver transplantation
Yaprak Sarigol Ordin, Dokuz Eylul University, Nursing Faculty, Izmir, Turkey

16:40 The role of nurse in living liver donor
Ferda Ulker, Akdeniz University, Transplantation Education, Research and Application Center, Antalya, Turkey

17:10 Care of children and adolescents liver transplant recipient
Sirin Durmus, Ege University, Organ Transplantation Application and Research Center, Intensive Care Unit, Izmir, Turkey

17:40 General discussion

18:00 Closing
Social Programme

**Wednesday 27th May, 2015**
**Companions Dinner** - Bizim Gazino, Izmir (Fish, Sea foods, Wine, Raki)

**Thursday 28th May, 2015**
Pergamum (Bergamme) and Asclepion Excursion

**Dinner** - Sipari Restaurant, Izmir (Fish, Sea foods, Wine, Raki)

**Friday 29th May, 2015**
Ephesus, Temple of Artemision and House of Virgin Mary Excursion

**Dinner** - Bogazici Restaurant, Izmir (Meat or Fish, Sea foods, Wine, Raki)

**Saturday 30th, May, 2015**
Cesme (Marina, Cesme Castle) Excursion

**Companions Black-tie Dinner** – Kaya Thermal Hotel, Balcova, Izmir
